*Clinging to the edge of civilization, 40 miles north of the M25 up the A1(M)!!*

Owned by former British Women's Open Champion, Vivien Saunders OBE, the emphasis at Abbotsley is on first class golf, combined with comfortable accommodation in the 42 bedroom, AA 3 star hotel. Abbotsley has two courses - the Abbotsley Course, which is a regular venue for PGA and English Championships, and the Cromwell - slightly less punishing and infuriating. And if staying on a 3 night break guests can also play the stunning Cambridge Meridian at no extra cost. [www.golfsocieties.com](http://www.golfsocieties.com)

We offer separate society packages on the two courses, from a cheap and cheerful day out on the Cromwell to a lavish extravaganza on the Abbotsley with all the trimmings.

For ladies we offer our great ABB FAB day out - starting with a glass of bubbly and moving through to drinks halfway, prizes and a horribly healthy but delicious lunch or dinner! (Yes, boys can come too!)

- Real ale served - great sport on Sky TV - loads of boozes
- Halfway house
- PGA pros welcome - to stay, play and teach your group
- Driving range, fitness centre, par 3 course, squash courts
- Golf weeks and over 50's specials
- Christine Langford Golf Schools
- Ladies Golf Festival
- Vivien Saunders Golfing Mind Schools
- Dogs and women welcome!

For southerners - remember, it's all downhill from the Midlands, going home!

## ABBOTSLEY GOLF HOTEL

### Women's Golf Leaflets, Adverts and Invitation

These were, although stereotypically pink, the visuals that were selected to be used for advertising women only golf breaks and social events at the hotel.

With a play on words with Abbotsley and Abb Fab, the caricatures were used instead of pictures to avoid copyright issues.

- The player will record **his/her results on his/her own scorecard** with the agreement of the marker. The marker will never manipulate the player's scorecard.
- Once the round is finished, **marker and player will sign the scorecard** and they will sanitize themselves.
- The scorecard will be returned to the Committee and the physical scorecard will be **inserted in the mailbox** available in the tournament office or where indicated by the committee.

## DURING THE ROUND

### FLAGSTICKS AND ARTIFICIAL OBJECTS

- We recommend playing with the **flagstick placed in the hole**. Otherwise, we recommend that only one player in the group manipulates it, who will sanitize him/herself before and after manipulating it.
- Avoid touching artificial objects as much as possible. Otherwise, **sanitize yourself** before and after handling them.

### BUNKERS AND RAKES

- Bunkers do not lose their bunker status. Rule 12 remains in force. There is no need to have specific local rules for them.
- Smooth the bunker with your feet** or with the club. If rakes are available and you use them, **sanitize yourself** before and after using them.

### EQUIPMENT AND CLUBS

- Unless it is essential, **avoid sharing**, lending, or borrowing any type of **equipment** (clubs, gloves, balls, ball mark repairer, tees, ball markers, distance measuring devices, etc.). All items used in the game, including carts and golf bags, will be handled exclusively by the player or his/her caddie. In case another person manipulates them, he/she will sanitize him/herself before and after use.

### TOUCHING THE BALL

- It is recommended that the player be the only one to mark, lift, drop, place and replace the ball on and off the putting green. **You should not touch a ball other than yours**. Otherwise, it will be sanitized before and after handling.

### FORMS OF PLAY SHARING THE BALL

- In the forms of play that share the ball (Foursome, Greensome, Greensome-Chapman, etc.) we recommend that the **ball is always manipulated by only one** of the players. Otherwise, use sanitizing gel when manipulated by one and the other.

### CADDIES

- If you have a caddy, we recommend that the **caddy does not handle the clubs and the ball**. Otherwise, they will sanitize themselves before and after handling them.
- Caddy and Player (**even if they live together**) will always stay **1.5 meters** away, or **both will wear a mask**.

### PENALTY FOR INTENTIONAL BREACH

- If the player or his/her caddy intentionally breaches any condition of this Protocol adopted by the Committee, he incurs the following penalty:
  - First offence: **General Penalty** (Two strokes in Stroke Play or Loss of Hole in Match Play)
  - Next offence: **Disqualification** (and you should be invited to leave the course).
- The accidental or unintentional act does not constitute an infraction.
